## *Preface*

It's a matter of great pleasure to place the annual report 2016-17 before the Hon'ble Management of Vidya Bharati Shaikshnik Mandal, Amravati regarding the various activities conducted for the all round development of students and various facilities newly developed to undertake quality initiatives in academics and achievements in research, games and sports and cultural activities. Besides, due to timely support of the management infrastructural changes could have been brought in.

I am very happy and feel proud to record here that the college has been achieving laurels and coming up with flying colours in the field of academics, games and sports, curricular and extra-curricular, research and social outreach activities. I feel all these achievements are the results of work as a team, the dedication and commitment of the faculty.

In this academic session 2016-17 the college has achieved every possible success in all aspects of academics. We have become successful in focusing the learner-centric activities. As far as research is concerned we have 27 research supervisors who are actively engaged in research. As a result of this on an average we could produce 93 successful Ph.D scholars in the last 05 years. This year too we have produced 15 research students and 03 faculty members with Ph.D degree. In short, research is rigorously and qualitatively carried out here. In this academic year our 02 faculty members and 11 PG students have cleared NET/SET examination.

In the opening of the academic year around 3000 students got enrolled for various UG and PG programmes. The students who appeared for University examination Summer-2016 have achieved commendable success i.e. on an average the university examination results are found more than 70%. This year our 23 students appeared in the general Merit List of the University. Two of them grabbed Gold Medals. Beside their academic achievements they are not lagging behind in Co-curricular and Extra-curricular activities. Our 55 students brought laurels in different competitions testing their soft skills. 06 students took part in Avishkar-2016, bagged I<sup>st</sup> Prize and all of them got University Colour Coats, 08 students brought Colour Coats in Youth Festival-2016.
