## GOLDEN MEMORIES

Visit of Our Chief Patrons to the Campus : Former President of India Hon'ble Smt. Pratibhatai Patil  
& Founder President VBSM, Hon'ble Dr. D. R. Shekhawat

## *Preface*

It gives me an immense pleasure to put forth the record of curricular, co-curricular and extra-curricular activities in the form of Annual Report. I express my sincere gratitude towards the President of Vidya Bharati Shaikshanik Mandal, Hon'ble Shri Raosaheb Shekhawat, for his insight, constant support and encouragement. I am very grateful to our patrons, the Founder President of VBSM Hon'ble Dr. D. R. Shekhawat and Former President of India Hon'ble Smt. Pratibhatai Patil for the mentorship. They have always been a source of inspiration to carry on the noble work of education for the betterment of students in this Vidarbha Region.

The strategies and vision of the management always help us to overcome the odd times to a great extent. The State-of-Art facilities for education in the campus has been provided to overcome all odds. Thus in spite of Pandemic situation of Covid-19, 51 students are placed in the Merit List of SGB Amravati University, Amravati. The college has acquired Grade A (CGPA 3.23) in the third cycle of assessment by National Accreditation & Assessment Council, Bengaluru. The SGB, Amravati University, Amravati has awarded the College Magazine, "Pratibha 2020-21" by first prize consecutively 15<sup>th</sup> times.

This is the era in which we all have to switch from traditional set up to ICT in teaching-learning methodologies. Since March 2020, we all are the witness of the unprecedented global impact of Covid-19. The entire world is struggling on social, political, economical and psychological grounds. Educational is not an exception. Students, schools, colleges and universities have been deeply impacted. The face-to-face lectures have been replaced by using online learning various platforms like Google, Meet, Zoom, Webex, etc. During the first session, we all were facing lockdown period and during this period, the digital pedagogy worked very effectively in Teaching-learning and evaluation.

In the second session, college worked in full phased manner. This session was also full of events and happenings. The student - centric activities were organized throughout the year online as well as offline. This year also the glorious tradition of success continued with awards of 05 Ph.D., 08 NET/SET qualifiers and 51 students in the General Merit List of SGBA University, Amravati. Besides, 20 students participated in International and National sports events and Youth Festival 2022 and grabbed 03 Gold, 07 Silver and 01 Bronze Medals and 08 students stood within the I to III Rank. It's a matter of pride that Ms. Samiksha Umale, B. Sc. III won I Rank in Rangoli Competition. Many students brought laurels in several competitions held at various levels.

The Training and Placement Cell did a great job by organizing various activities like Internship & Job Opportunities in HCL, and campus placement drives by Cognizant Technology Solution, TCS, Tech Mahindra, Wipro, L&T and many MNCs. As a result of which, 123 students secured recruitment in various multinational companies.

The college continued to organize a good number of student centric activities undertaken by various departments and Committees for all round development of the students. In addition, a good number of co-curricular, extra-curricular and cultural activities like State Level Elocution Competition, Quiz, debates, etc. were organized so that more students get an opportunity to explore their hidden talents. In this session, many workshops and seminars have been conducted. Workshop on Intellectual Property Rights (IPR) has been conducted to enhance the knowledge in filing patent and many delegates took part in it. Two NCC Cadets Ms. Akanksha Asanare and Ms. Gayatri Sakharkar represented the college in **Republic Day Parade at New Dehli on 26<sup>th</sup> January 2022**.

The contribution in research is also too good. 10 departments of our institute have been recognized as Research Centers by SGBAU, Amravati and 21 Research Supervisors are guiding more than 65 Research Scholars. 56 research papers are published in UGC approved Research Journals. Out of which 34 are single authored, 02 abstracts and 19 full length research papers are published in Proceedings of Conferences. 67 faculty members were participated in various Conferences/ Seminars / Symposia. 12 faculty published Books and chapters in edited volumes. 15 faculty has extended their contribution in Expert lectures, Judges, Panelist and Chairperson. 14 faculty has participated in Faculty/ Professional Development Programmes. Dr. Pallavi Mandavgade, Head Department of Management has granted a Patent in Innovation in Management by GOI. I congratulate them for their special contributions.

The college monitoring committees/ various departments remained busy with organization of several conferences, seminars, workshops and competitions. State Level Elocution Competition has organized by the Dept. of English on 5<sup>th</sup> March 2022.

In spite of the unfavorable situation, the Training & Placement Cell has been proactive and striving hard to conduct campus placements. In order to enhance soft skill, employability skills and to make our students job-ready, institute has made 22 functional MoU. We have MoU with Microsoft under which a Microsoft Certification Center is established.

So, amidst all the odds, VBMV is striving hard by providing the best teaching, learning and research opportunities to students, teachers and researchers alike to reach our goals for the betterment of society through Education.

While closing the Annual Report 2021-22, I must mention and appreciate the hard work and sincere efforts of Dr. R. J. Gajbe as the Coordinator of the Annual Report Committee and Mr. K. P. Raghuwanshi & Ms. P. R. Patil- the members of the committee who wholeheartedly supported in making of the annual report. I also appreciate the comprehensive efforts and all inclusive approach of Dr. P. G. Bansod, Co-Ordinator IQAC for improvement and sustenance of quality in the campus.

While closing the abstract of the Annual Report, I must mention and appreciate the hard work and sincere efforts of Dr. R. J. Gajbe as the Convener of the Annual Report Committee and the members Mr. Kunal Raghuwanshi and Ms. Pallavi Patil who wholeheartedly supported her in the making of the Annual Report 2021-22. I also appreciate the all-inclusive approach of Dr. P. G. Bansod, Co-Ordinator, IQAC for improvement and sustenance of quality in the campus.
