## *Preface*

### **"Excellence with Relevance is the Prime Motto of Our Institution"**

It gives me an immense pleasure to place the Annual Report 2022-23 before the Hon'ble Management of Vidya Bharati Shaikshanik Mandal, Amravati. It is a record of the ever-growing success of students in curricular, co-curricular, extra-curricular, cultural and even in the social outreach activities. I feel all these achievements are the result of active participation of Management, the dedication and commitment of the faculty members.

Let me take the opportunity of expressing my gratitude towards the President of Vidya Bharati Shaikshanik Mandal, Hon'ble Shri Raosaheb Shekhawat, for his constant support and encouragement. Our patrons, the Founder President of VBSM Hon'ble Late. Dr. D. R. Shekhawat and Former President of India Hon'ble Smt. Pratibhatai Patil have always been a source of inspiration to carry out the noble work of education for the betterment of youth in this region.

I feel proud to mention some of the significant achievements of the college. In academic year 4020 students have been enrolled for various UG, PG and Ph.D. programmes. A Host of student-centric activities were organized throughout the year. As far as research is concerned, we have 11 Ph.D. programs with 20 research supervisors who are actively involved in research. This year also the glorious tradition of success continued with 03 students qualified NET/SET examination and 62 students appeared in the General Merit List of SGBA University. Besides, 18 color holders in International and National sports events and Youth Festival 2022 and 28 students brought laurels in competition held at various levels

The college has always remained at higher scale as far as university results are concerned. This year too the average result of university examination of Summer-2022 at UG level is 56.49 % and PG is 52.27% Winter-2022 for UG is 57.82% and PG it is 51.91%. In order to enhance quality in education, healthy competition is must. Hence the faculty members of the college have voluntarily sponsored cash prizes for the best performers in the University examinations in different subjects which were distributed in a felicitation ceremony: "SANMAAN"

The Placement Cell did a great job by organizing events like Internship & a seminar, Job Opportunities in HCL, and campus placement drives by Cognizant Technology Solution, TCS, Tech Mahindra, Wipro, L&T and many MNCs. As a result of which 146 students secured recruitment in various multinational companies.

The college continued to organize a good number of student centric activities under the aegis of GEMS like Annual gathering 'JOSH' 2023 and 'Sanmaan' to appreciate the best achievers in different fields. In addition, a good number of co-curricular extra-curricular and cultural activities like State Level Elocution Competition, Quiz, debates, etc. were organized so that more students get an opportunity to explore their hidden talents.

As a part of commitment to the society, the Institutional Social Outreach and Enabling Centre (SOEC) comprises of 'Pratibha Women Study Centre', 'Enviro-Club' and 'Club-Yog Sadhana' worked together on various issues such as Dengue Awareness Programme, awareness among community towards the Indian Festivals, explained various schemes of Government such as Pradhanmantri Matruvandana Yojana, Poshan Abhiyan, Anemia mukt Bharat to the people of slum area. Moreover, computer literacy program was also conducted and fundamental of

English was taught to the people. The screening of Environment based films, street rallies and awareness drive for Swatantrata ka Amrut Mohatsav, Yog Shibir etc. have been conducted to make the students aware about community services and to develop expertise to extend their services to the society and to contribute for the well-being of the nation.

In order to acquaint the students with current development in their respective subjects, different departments have organized Special Guest Lectures of Eminent Speakers to enlighten and upgrade the knowledge. To provide practical knowledge the Study Tours were organized by Botanical Excursion, Zoology tour, chemistry tours, visit to Industry and Scientific laboratories .....

To keep pace with latest development with the respective subject teaching faculty actively participated in the academic gatherings like conferences, seminars, workshops, symposia, research activities and continuous support in administrative work. This year teachers have published 64 quality Research papers in National and International Journals of great repute and 3 patents were filed. Also, Teachers have published 35 papers in the proceedings of various conferences and Symposia. Teachers have participated in 60 Conferences, Seminars and Workshops. Our faculty members contributed in 22 book/chapter published, 07 faculty have extended their contribution as expert lectures, 16 faculties have participated in both Online as well as Offline faculty development programmes. They have been continuously extending their academic services to the University in the form of Examination Work, Restructuring of Syllabus and by being the competent of Authorities of University.

The college has well-equipped centralized library with the capacity of around 77,437 books, e-sources, Digital databases, reading room facility, magazines, e-journals, e-books with separate browsing facilities for the students as well as research scholars.

Considering the strength of Girls student, the Education Society has constructed huge "Pratibha Ladies Hostel" consisting of 91 rooms, the accommodation capacity of which is around 272 girls with all sophisticated facilities.

Over the last decade the College Magazine "Pratibha" has succeeded in creating it's own identity in the University level College Magazine Competition for being adjudged as the Best. This has become possible because of the dedications and relentless efforts taken by the students and teachers of the Editorial Board.

While closing the Annual Report, I must mention and appreciate the hard work and sincere efforts of Dr. P. S. Bodhke as the Coordinator of the Annual Report Committee and Ms. P. R. Patil, and Mr. K. P. Raghuwanshi - the members of the committee who wholeheartedly supported him in making of the annual report. I also appreciate the comprehensive efforts and all inclusive approach of Dr. P. G. Bansod , Co-Ordinator IQAC for improvement and sustenance of quality in the campus.

## 8. Teacher-Sponsored Awards

In order to enhance quality in education, the healthy competitions among the students are necessary. The faculty members voluntarily sponsored cash-prize for the best performers in the university examination in different subjects at college level. These achievements are honoured on the day of felicitation called “Sanman”

While closing the abstract of the annual report I must mention and appreciate the hard work and sincere efforts of Dr. P. S. Bodkhe as the convener of the annual report committee and the members who wholeheartedly supported him in the making of annual report. I also appreciate the all-inclusive approach of Dr. P. G. Bansod, co-ordinator IQAC for improvement and sustenance of quality in the campus.
