FROM THE ADMINISTRATOR'S DESK...

As the Principal it's my proud privilege to mention here that our college has just completed successful and fruitful five decades (June 1972 – June 2022) so the academic session 2022-23 was celebrated as the **Golden Jubilee Year** with great fervor. A host of curricular, co-curricular, cultural, sports and social events were organized on a large scale through out the year.

In this special year, while celebrating the highest accomplishments of the past years with full enthusiasm and fervor the institute also experienced an irreplaceable loss.....as our Founder President of Vidya Bharati Shaikshanik Mandal, Honble Dr. D. R. Shekhawat left for eternal abode. I express my humble gratitude in his fond memories. I am sure he will always be there with us as a torch bearer in the form of his guidance, his principles, his concerns for education. With

Namaskar and a warm welcome to Vidya Bharati Mahavidyalaya

the blessings of our Chief Patron Hon'ble Pratibhatai Patil, the Former President of India and guidance and proactive participation of the President Honble Shri Raosaheb Shekhawat and the management the long cherished and envisioned dream of imparting quality education and brining a holistic development of students into morally upright citizens will be continued.

VBMV is known for its excellent infrastructure which is accounted among the best in Vidarbha region. Being a perfect blend of traditional and professional courses the institute provides the best learning, teaching and research opportunities to teachers, students and researchers a like. The highly qualified and committed faculty, dedicated administrative and non-teaching staff, library staff and other support staff are like the load bearing pillars of the institute. Vidya Bharati GEMS, General Event Management Society is a platform to foster creativity, passion and leadership qualities among students. The neat, clean, secured, green campus, well-manicured lawns, aesthetically laid out gardens, state - of - art auditoriums special center for performing arts, digitalized library, classrooms & laboratories, smart-classrooms, lively cafeteria, indoor and outdoor sports facilities and a gym named 'Body

Temple' for maintaining good health, all these amenities give a fuller experience of college life to our students. The gardens are full of local plants and trees with neatly digitalized botanical names inscribed on them. The college is committed to nurture biodiversity and environmental sustainability as there are properly evolved waste management scheme. The campus has water harvesting plants, vermi- compost unit, waste water treatment plant (SWTP) constructed in association with NEERI, Nagpur recycling around 30KL waste water every day. The photo - voltaic plates placed on the roof of every building generate ample amount of electricity resulting MSEB bill to zero. On campus services like girls hostel (capacity 270 seats), wi-fi (100 mbps), bank ATM, sanitary vending machines bring more comfort zone to our students.

I welcome you all to this vibrant campus which is well prepared to impart Quality Education as prescribed by the National Education Policy 2020.

My good wishes to all....

Dr. Pradnya S. Yenkar
