Physics Society

The under graduate department of Physics was established in the year 1972 while the post graduate course in Physics was introduced in the year 1993. Despite the fierce competition, the department had succeeded in producing spectacular results for the PG classes. The Physics society was started from 1994. The Physics Society offers a platform to all the P.G. students and those who are interested in physics subject to conduct various activities through this forum. Every year the Physics Society has been established by the Physics department by involving M.Sc. I and II year students. Each year office bearers are appointed to conduct various academic activities. The Society body consists president, vice-president, secretary, joint-secretary, treasurer, two boys and two girls class representatives. Many functions such as celebration of Science day program, quiz competition, physics puzzle, welcome program to newly entered M.Sc. I students, farewell function to the M.Sc. II student, arranging of Guest lectures, speeches, essay competition, visits to many organizations, tours, handling of physical equipments training to lower class students, etc. are organized by the Physics Society. Also, under the established Physics Society, visit to science centre is organized to learn the students basic concept in physics. By keeping these things in mind, the Physics department establishes society where students get free mind to enjoy physics through different activities.
